

## **CONDOLCEZZA**

### SWEET WHITE WINE

Wine obtained from a particular selection of the finest grapes, withered for a few months. After pressing, it is fermented in barriques. Warm golden color with ripe fruit, jam scents and a vanilla tone. Sweet and, at the same time, extremely delicate and elegant, with a remarkable aromatic persistence.

#### **APPELLATION**

Sweet white wine from over ripe turbiana grapes

#### **WINEMAKING**

Manual harvesting in boxes, prolonged drying in the loft, fermentation at a low temperature operated by indigenous yeasts.

#### **TASTING NOTES**

Golden color, intense bouquet of peach, candied fruit and vanilla. Fresh sweet structure. Armonious and perfectly balanced.

#### **PAIRINGS**

Ideal with dry pastries, biscuits, and sbrisolona (traditional crunchy tart).  
Excellent with cheeses with green-blue marbling.  
Outstanding with foie-gras.
